Foreword

Within these pages are recorded the happy events of the past four years of our lives. They are thus preserved in a permanent form, not only for the pleasant memories they will serve to revive, but what is more important, for the ideals of education they represent. Past achievements are to be viewed in relation to the future, as stepping stones to eternity.

May all our associations, scholastic, social, and athletic, prove to be of eternal value; our trust will be tried—our reunion in Heaven will measure how well we have proved ourselves worthy of it.

OUR ALMA MATER

COACH ROBERT GRIFFIN

Dedication

It is the custom at Cathedral High School to dedicate the yearbook to an individual who has made a success of his career and has devoted himself toward the interests of the school. Therefore, we the members of the Class of "51" have selected Robert Griffin as the logical and deserving recipient of this honor.

Coach Griffin was born in Connecticut in 1923. He graduated from Harding High School where he was active in sports and from there went on to Notre Dame under the Naval sponsored N.R.O.T.C. program. In 1943 he entered the U. S. Navy and served in the Pacific as an Ensign.

He returned to Notre Dame after being honorably discharged and received his diploma in 1947. He instructed at Saint Michael's College and is at present teaching accounting at the University of Vermont in addition to his duties as varsity coach of football, baseball, and basketball at Cathedral High School.

We wish to extend to you our sincere thanks for your able leadership and wish you the best in all your future endeavors and hope that you will continue to be as successful in the years to come as you have been in the past.

HIS EXCELLENCY EDWARD F. RYAN, D.D.

Tribute to Our Most Reverend Bishop

To our Most Reverend Bishop Edward F. Ryan, D.D., we the Class of 1951, wish to offer our sincere gratitude for the unselfish manner in which you have devoted yourself to our spiritual needs.

Although the years of our adolescence are rapidly coming to a conclusion we will always welcome your guidance and counsel. In the unsettled world of today, we require more than ever a firm hand to guide us through the maze of problems that will confront us in adult life.

Therefore we will remain as your foster children and strive to follow the sterling example which you have set for us.

RT. REV. MSGR. PATRICK BRENNAN

Tribute to Our Right Reverend Monsignor

The Class of 1951 is honored to pay tribute to you.

Your sincere devotion to the objectives of this school and your interest in the students will always remain an inspiration for us.

We are deeply indebted for the knowledge we have received. Having accomplished much in the past we look forward to the future with you as our guide.

To you, we extend our heartfelt thanks.

REVEREND HAROLD FIELD

Welcome to Father Field

It is our special privilege to welcome you, Father Field, to the "Big Building" as the principal of Cathedral High School. It seems indeed fitting that we should have the pleasure of welcoming you since you came to Pomeroy as Assistant Principal of the high school the same year we entered there as Freshmen.

School problems and administration are no new experience to you and so all of us at Cathedral High benefit from your previous achievements. You bring much to our school and are generous in the giving of your ability, counsel, understanding and spiritual guidance.

In this time of "hail" and "farewell," we, the Class of '51," extend to you our grateful appreciation and wish you continued success and many blessings in the years to come.

Valedictory

Your Excellency Most Reverend Bishop, Right Reverend Monsignori, Reverend Fathers, Reverend Sisters, Dear Parents, Honored Guests, Fellow Graduates:

Our presence here this evening arouses within us, the Class of '51, mixed emotions. The joy of graduation involves necessarily the sadness of separation from much that we have learned to cherish. The realization of this goal means the assuming of new responsibilities. This is truly a commencement, a beginning of the life for which we have been preparing. As we bid our sincere farewell to Cathedral High School, we are strengthened by the knowledge that our future has its foundation in all that is true, good, and holy, in a Catholic education. This educational development has taken place in an atmosphere of Christian friendship.

Everything we have dreamed of—the things we plan to accomplish in the future are rooted in the powers of this friendship. Without it we would be lost on a sea of apparent confusion and loneliness with no inspiration whatsoever to urge us on to a higher plan of self-betterment.

God, Who is the Creator of love and friendship knows our nature and commands us to live, work, and pray for each other. That is what we have managed to accomplish and hope to continue to do in our future lives. Dear classmates, during our four years at Cathedral High School, we received excellent guidance and training in the methods we must now employ to attain our goal. We must, therefore, develop that constant vigilance over those characteristics that will promote true friendship with others. We need companionship—we need friends to console us when we need to be consoled, and friends to praise us when we deserve to be praised. The true friend is one who wisely recognizes our needs, devotedly attends to them without hesitation and cheerfully performs them with no hope of material reward.

Although it is definitely impossible, fellow graduates, to keep the close ties of friendship we now enjoy because of the miles and years that will separate us, we can, however, attempt to be a source of happiness to others as we meet them in life's adventurous journey.

MUGUETTE TOUGAS

Salutatory

Your Excellency Most Reverend Bishop, Right Reverend Monsignori, Reverend Fathers, Reverend Sisters, Dear Parents, Honored Guests, Fellow Graduates:

With deepest sincerity, the Class of 1951 wishes to welcome you to its Commencement Exercises. It is truly fitting and proper at this time that we express our appreciation to everyone who has made this event possible for us.

Your Excellency Most Reverend Bishop, Right Reverend Monsignori, Reverend Fathers, Reverend Sisters, and other members of the faculty, we thank you from the depths of our hearts, that we have received the most profitable High School education because of your willing and untiring efforts. We feel that this education will prove a strong bulwark to face the problems which will later beset us.

Reverend Father Joy, and Reverend Father Field,

his successor, we leave Cathedral High School with the fondest memories of your careful guidance and encouragement. Without you, Reverend Fathers, our success tonight would not have been complete.

To you, dear parents, we owe a debt of gratitude that we can never repay. You have sacrificed much to give us an education, and we sincerely hope that we can make you proud of us in our future lives.

Fellow classmates, graduation means for many of us the parting of the ways as a class. In the different careers which we shall be undertaking, I know we shall succeed because of the good training and Catholic education we have received.

Let us then put out faith in God, and we shall all attain true happiness, which is the only kind of true success.

JEANNETTE M. CHAMPAGNE

Class History

To many of you, the names and events which made this history of the Class of 1951 may not seem important; but to those in our graduating class, including those who are not fortunate enough to be here because of their service to Uncle Sam, these events mark four wonderful years which were spent within the walls of Cathedral High School under the able direction of the Sisters of Mercy and our Principal.

As we recall the fall of 1947, we see one hundred fifty-one teenagers making their first attempt at being considered members of Cathedral High School. As in the two years previous to our entrance into high school, we, too, started our freshman year at Pomeroy. At first it seemed as if we were being isolated from the rest of the school; but as the year progressed, it seemed good to be by ourselves. It gave us a chance to know better the members of our class. We became acquainted with the upperclassmen through the attendance at social activities, sports, and participating in musical groups, such as band and glee club.

At the beginning of our freshman year, with Father Field as our assistant principal, we elected as the leaders of our class: Faith Beliveau, President; Jean Champagne, Vice-President; Albert Fisher, Secretary; and Shirley Kirby, Treasurer.

"Stunt Nite" with an "Old Fashioned Minstrel" as our theme, brought on our first competition with the upper classes. It is well that our faces were blackened, because it saved showing our embarrassment after acknowledging our defeat.

The musicians from our freshman class included: Charron Beliveau, Jeannette Champagne, Jean Champagne, and Yvonne Audette. Those fortunate enough to be chosen to play in the All-State Band were Charron Beliveau and Yvonne Audette. A freshman glee club was organized in which many participated.

A debate took place between the freshman and sophomore classes in which Patricia Larrow and Douglas Archambault challenged two able opponents from the sophomore class. This ended in a defeat for us, but the debates received much praise from the student body.

Our first formal activity was the Sodality Prom, and being freshmen, this caused much excitement. This also marked the first event in which we paid honor to our Blessed Lady. The second time was at the annual May Crowning.

The Mothers' Club did their share in making our first year a success by sponsoring a Freshman-Sophomore Hop.

The Junior-Senior Prom was the last big event of that exciting first year.

As June, 1948, approached, we had completed our first year at Cathedral High School, and after what seemed to be a very short summer vacation, we were back to begin our sophomore year, but this time in the main building. As in the preceding year, the first day of school started off with Mass attended by the entire student body. Our sophomore year was one year during which we really appreciated our upperclassmen, because if it had not been for them, many of us would never have been able to find our way around on that exciting first day.

The officers of our sophomore class included: Robert Brunelle, President; Raymond Nichols, Vice-President; Albert Fisher, Secretary; and Gary Gutchell, Treasurer.

This year, "Stunt Nite" consisted of a "Grocery Store" scene. We thought that we had done a pretty good job of it, but it seems that the other classes had done better. So, once more we were left without a victory. By this time we were getting used to being defeated, but we vowed that we would win our next two years. The results of the next two years will appear later.

The rest of the year continued much the same as the first year, with the annual Sodality Prom, Freshman-Sophomore Hop, May Crowning, and finally the Junior-Senior Prom.

By June, 1949, half of our high school days were over, but in September of the same year, we started the two most memorable years of our high school career.

Those who were chosen to lead our class this year were: Anne Marie Murphy, President; Patrick Jennings, Vice-President; Nancy Gardner, Secretary; and Raymond Nichols, Treasurer.

By the time "Stunt Nite" season had rolled around, we put our thinking caps on and came up with what seemed to be a winning plot. The results, no Stunt Nite! This was due to the renovation of the Cathedral, the auditorium being used for Church services.

The Sodality Prom and May Crowning took place as usual, and when it came time for the annual Music Festival, we, too, did our share.

Those chosen to play in the All-State Band were: Raymond Nichols, Jeannette Champagne, and Yvonne Audette. All-State singer was Timothy O'Connell.

This year we were notified that the Juniors would not be included in the Junior-Senior Banquet, so to relieve our sorrow, the Mothers' Club gave us a party. We danced to the music of the Polka Dots, and enjoyed refreshments and entertainment.

As the year came to an end, the names of those who were to attend Green Mountain Girls' State and Boys' State were announced. Those included: Jacqueline Ireland, Mary Fitzpatrick, Yvonne Audette, Raymond Nichols, Reginald Cross, Daniel O'Brien, and Patrick Jennings.

The year commenced with the Junior-Senior Prom. This was especially memorable to us because, being Juniors, we were given full responsibility for the success of this dance. With the tireless work of our committee, we succeeded in attaining our goal, and received much praise for our work.

During the summer of 1950, we witnessed the loss of many of our classmates to the service of Uncle Sam. Among those who left on August 11 were: Ronald Barber, Roger Patno, Robert Lavalley, Jean Champagne, Kenneth Devold, William McCarty, James McCarthy, John McMartin, Raymond Bouchard, and Jack Van Sleet. By the time September had rolled around, our class, which started as freshmen with one hundred fifty-one, had dwindled considerably.

Our Senior year commenced with election of our officers. Patrick Jennings was chosen as our President, supported by Jacqueline Ireland, Vice-President; Madeleine Fournier, Secretary; and Anne Hale, Treasurer.

It was prior to our Senior year that we lost our beloved principal, Father Joy, who had taken up the Pastorate at Holy Cross Parish. It was with grief that we witnessed his departure, but it was with equal gratitude that we welcomed Father Field as our new Principal. We are indeed indebted to Father Field for making our final year at Cathedral High School such a memorable one.

Having been informed at a rather late date that "Stunt Nite" would take place this year, we had only two weeks to prepare for it. This time we chose as our skit a drug store scene in the 1920s. We put everything we had into it, but it

was not enough to meet with the approval of the judges. But, as other classes before us had set records, we, too, had set a record. We were one of the very few classes to lose all our attempts at "Stunt Nite."

In January, 1951, two more of our classmates were taken from us to serve their country. These were Douglas Archambault and Lionel Boudreau.

During the earlier part of the year, Father Field appointed those who were to be on the Tower Board. Maurice Carey was chosen Editor-in-Chief, Joyce Gay, Assistant Editor, and Reginald Cross, Business Manager. A board of about twenty members were also chosen to assist them.

After our third quarter had been completed, the honor students were announced, with Muguette Tougas as Valedictorian, Jeannette Champagne, Salutatorian, Yvonne Audette, Maurice Carey, Mary Fitzpatrick, Theresa LoRanger taking the remaining honors.

Those who were chosen to be in the All-State Band this year were: Raymond Nichols, Daniel O'Brien, Jeannette Champagne, Richard Thibodeau, and Yvonne Audette. Those in All-State Chorus were Joan Fennell, Mary McGinley, Donald Atwood, and Timothy O'Connell.

The outstanding sportsmen in our class were: Frederick Fitzgerald, Reginald Cross, Patrick Jennings, Donald Boss, Robert Brunelle, James Burns, Clement Dubie, Richard MacKenzie, Ralph Maietta, John Malloy, and Raymond Merola.

Those who participated in Girls' Basketball were Mary Fitzpatrick, Barbara Clarke, Patricia Larrow, Helene Leffort, and Katherine Hooper.

With the Junior-Senior Prom, and the Senior Banquet, our high school days have been completed. And now as we approach the finale, it is with heavy hearts that we say good-bye to all that have been near and dear to us during those four wonderful years. It is not the fact that we are merely graduating from high school that makes us sad, but rather that we are graduating from Cathedral High School, "Our Alma Mater."

And on closing, we wish to thank our beloved Principal, our very patient and understanding teachers, and our ever-loving parents for all they have done for us; and as we take our place in the world, we hope that we can make them proud of us, and prove that their efforts were not all in vain.

YVONNE AUDETTE

Class Prophecy

This is Channel 1, Burlington, Vermont. Throw away your old radios or bring them in to Cross and Gover's Television Shop and trade them in for the new 1965 Deluxe Television Set.

Cross and Gover's now bring your WJOY's roving reporters, Mary Fitzpatrick and Theresa LoRanger, covering the reception of Bishop James Ward on the occasion of his consecration as Bishop of the Diocese of Burlington.

Good evening ladies and gentlemen. This is Theresa LoRanger speaking from the Bishop's residence. From our point of vantage, opposite the front entrance, we plan to give you the highlights of the evening's activities and a running commentary on the comings and goings of the honored guests. The celebrities gathered here at the present time consist mainly of the Class of '51 of Cathedral High School. Among them is Joan Fennell, nationally famous interior decorator, whose skill is plainly in evidence in the newly remodeled interior of the Bishop's home. Also bustling around among the guests, seeing that everyone is happy, is the efficient cateress, Virginia Bove, who seems to have the situation well in hand. The guests are enjoying delicacies obtained from Mary Hance's pastry shop and Albert Fontaine's model dairy farm. Pouring tea are the former Shirley Kirby, Jean Barrett, Helen Chevalier, Florence McGuire, Sylvia Dumas, and Marilyn Harrington. Later in the evening, Lila Berry, television entertainer, will present a program which will be of local interest. Included on the program will be numbers by Rosario Cannizzaro, and vocal duets by Mary McGinley and Wayne King, accompanied by Richard Thibodeau.

Before going on the air I was speaking to Burlington's mayor, Clem Dubie, and his capable secretary, Yvonne Audette. While talking over events of the day we were joined by Federal Judge Pat Jennings and John Malloy, head of the Street Department.

In a group on the left of the reception room is the Bishop talking over old times with Rev. Francis Myers, Superintendent of Parochial Schools, and Monsignor Oliver Ploof, Chancellor of the Diocese. Their secretaries, Barbara Clarke, Concetta Cannizzaro and Joyce Gay, are also in the group.

Mary, can you bring the listening audience up to date on the careers of some of these famous people?

In the lobby I met Donald Atwood, the architect for the new Central Catholic High and his secretary June Drowns. Admiring the plans with Atwood was Rev. Gerard Belval, Cathedral High School's principal, who is looking forward to the opening of the new building. Assisting Donald on his engineering force are Paul Martel, Raymond Nichols, Rochford Thibodeau, Homer Delisle, Robert Mayette, and Robert Rochford. Jeannette Champagne is the smiling secretary at the high school.

I also found out that many of the class of '51 have entered the medical profession. Robert Wynne is a successful surgeon at Walter Reid Hospital with Muguette Tougas as superintendent of the nurses. On her staff are Catherine Hooper, Anne Murphy, Marilyn McMahon, Jackie Ireland, Teresa Forcier, Monette Vachereau, and Mary Corley. James Burns has also set up a business as mortician assisted by Douglas Archambault. Theresa, have I forgotten anyone in the medical field?

Janice Croto, beneficent society leader, has established a dental clinic in Burlington where Dr. Dick Quavillon, house doctor, is assisted by Barbara Metras and Elaine Campbell. Close by is located Lillian LeBlanc's pharmacy; Janet Maisonneuve and Doris Daigle—competent pharmacists—are prompt and courteous in filling in any prescription she sends.

Switching to the sports scene, I notice that Buzzy Fitzgerald, coach at Holy Cross, and Don-

ald Boss, instructor at West Point, are in our midst. Lefty (Bob) Brunelle, pitching his way into the hall of fame for the Red Sox under the management of Andre Martel, and Dick MacKenzie, playing second base for the New York Yankees, are discussing the outcome of the American League. Listening attentively is Ray Merola who has taken over the long remembered Stan Musial's place. Mary, do you have anything else?

While you were bringing the audience a revue of the careers of some of the guests I was talking to Joan Bombard. Since she is laboring in the education line she was able to supply news of several classmates. She herself conducts a modern and progressive nursery school. Teachers are Laura Bean, Simonne Brunet, and Judith Mumley. During our conversation, Maurice Carey, English Professor at St. Mike's, came along with Catherine Ryan who is teaching History at Trinity. They were deep in a discussion of World Events. I had quite a time getting their attention. Joan also informed me that Jeannette and Carmen Daigneault are teaching secretarial subjects at Burlington Business College. I also had a few words with Charron and Faith Beliveau, secretaries to Chief of Police Conrad Desautels who told me that because of their secretarial duties to the members of the Washington Cabinet, Sylvia Simays, Helene Lefort, Betty Ravenscroft, Paulita Hammond, Janice Richard, and Claire Quenneville, would probably

be late in arriving. Anne Hale has returned to Burlington after teaching the classics for several years at St. Joseph's College in Hartford.

Who are the reporters covering this reception for Ray LaCroix's "Burlington Review"?

Helene Limoge and Myrtie Morrill are busily interviewing the many guests. The last time I saw them they were interviewing Pat Larrow, famous fashion designer, who just received an Oscar for her creations in MGM's latest hit "Maddy" co-starring Madeleine Fournier and Danny O'Brien.

Towering Timothy O'Connell, proprietor of the Champlain Valley Exposition, has just recently employed Ralph Maietta as overseer assisted by Mike Murphy. They are now talking to Van Champagne, Thomas Blair, Robert Cloutier, Billy Sanborn, and Gary Gutchell, well-known bachelors of the class of '51. Tim mentioned that at last year's fair Harris Myers and Art Thibault won Blue Ribbons in the stock exhibit.

Well that about takes care of the guests here at the reception of Bishop Ward. The program came your way through the courtesy of Cross and Gover's Television Shop, 729 Peters Avenue, Telephone 4-4059.

This is Theresa LoRanger and Mary Fitzpatrick signing off.

President's Address

Tonight marks the end of formal education for many of us. For all of us it is the gateway to an uncertain future. Never before in the history of the world has so great a power menaced the earth as militant atheism, the basic philosophy of Soviet Communism. This is the challenge that we as Catholic students are bound in conscience to meet even to the extent of martyrdom. This may sound absurd to some who are either unwilling or unable to comprehend the seriousness of the world situation.

Let us consider, however, that there are classes graduating all over the world, even behind the Iron Curtain. In those countries the students have been taught and drilled in the false philosophies of Communism. They have learned well, and now they will enter the world, as we are doing, and will stop at nothing to achieve their ends, mainly to conquer the world and to destroy all that is Christian or that which pertains to God. We, too, have been taught and drilled, but in the truth which makes men free. Christ is that Truth. He is, as we must be, the Light which dispels the darkness of despair, that gives hope, rooted in the eternal values which never pass away. May God grant that we have learned well and that we may now be ready to defend our faith and our country.

In leaving Cathedral we are bidding farewell to the security of the classroom where our teachers were ready and willing to help us find the answers to our problems. They have warned us of what is to come. As we well know, after every Good Friday there must be an Easter Sunday.

We wish to thank our Most Reverend Bishop, Monsignor Brennan, Father Field, and the Sisters of Mercy for supplying the necessary foundation upon which we build the fortress which can withstand any assault, even though it may be in the form of religious persecution; with this bulwark, we are able to stem the tide of militant atheism so that our children and the children of future generations may live and worship as we have lived and worshipped.

We would also like to thank our underclassmen for the pleasant years we have spent with them. No matter how dark the future may seem to be, the Light we carry aloft will always illumine the fond memories of you and all connected with Cathedral High School.

Farewell to the Seniors

We, the members of the Class of 1952, would like to express a joyous, yet sad, farewell to the Senior Class.

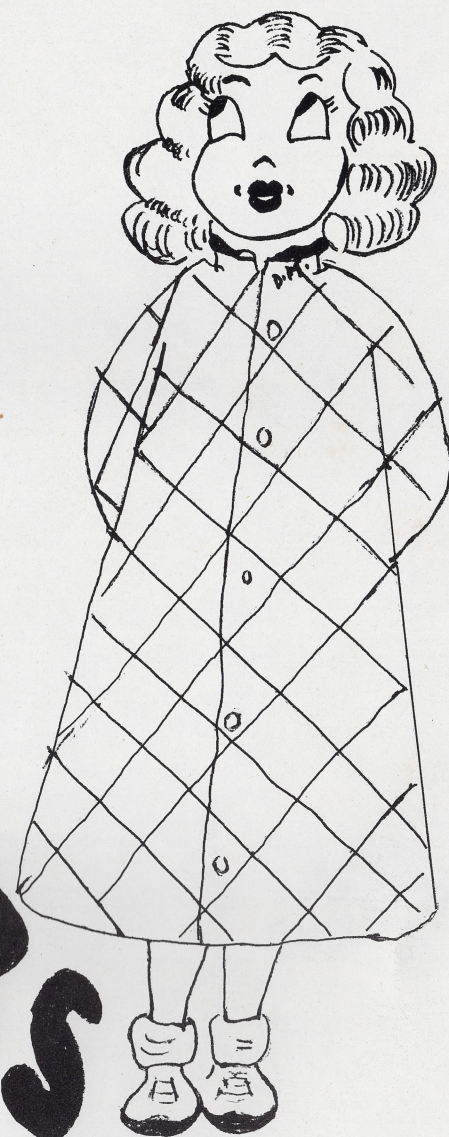

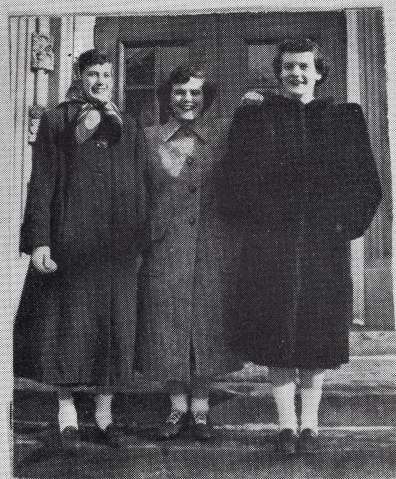

We have developed a sincere and close bond of friendship during the past three years; our earnest prayer and fondest hope is that our associations will endure forever.

We admire the evidences of sportsmanship which you have manifested. We appreciate the ideals which you have learned and practiced at Cathedral. Our wish is that we may fill your place with as much success next year.

There has been every indication that life for you will be both pleasant and successful inasmuch as your personal efforts will be strengthened by the help of God. Cathedral High School has prepared you, according to the Christian pattern, to take your place in society. May the challenge stir your energies of soul and body that you may conquer every obstacle with your learning inspired by faith.

God bless you all.

DR. J. F. LECHNYR

A Message to the Music Clubs:

It seems I hardly finish one good-bye note when the time is upon us for another. (Take heed, young ladies and gentlemen, "It's later than you think!") To be serious, I wish you all to know of my appreciation for your hard work during this school year, giving yourselves and your school the best of your ability. This was done at the expense of leisure time in some cases, and your merit is all the greater.

The Seniors will all be very busy people next year with their variety of pursuits, but remember, you are always welcome to sit in with us and play a few notes, or sing a few notes any time you would like to revisit the scenes of your High School days.

My sincere good wishes go with you,

DR. LECHNYR

MRS. J. M. HOLCOMB

Dear Glee Clubs:

The inevitable time for farewell messages has arrived and brings to a close a most successful Glee Club year. You all know that, and I am sure you are proud of your accomplishments.

Seniors, your numbers in the singing have been few, but the quality has been choice and you will not be forgotten when September arrives and those vacant chairs must be filled.

There is not a doubt about the excellence that may be expected next year from the classes that are stepping upward and I look forward with anticipation to the fine performances that will be recorded in the 1952 TOWER.

My very good wishes go with you, Seniors, and a happy summer to all.

Sincerely,

MRS. HOLCOMB

Green Mountain Boys' State

At the end of our Junior year the Faculty chose four boys to go to Green Mountain Boys' State for a week at the beginning of summer vacation. (We went June 25.) Boys' State is held at Norwich University in Northfield, Vermont.

While attending we studied Vermont government in general. We elected officers of state, town, and county.

Each of the four boys from Cathedral held office in either state, town, or county government.

Those attending were:

Patrick Jennings	Secretary of State
Raymond Nichols	Town Auditor
Daniel O'Brien	County Senator
Reginald Cross	County Senator

We wish to express our sincere appreciation to the American Legion and to those local groups and organizations who were kind enough to provide for sending us to Green Mountain Boys' State.

Green Mountain Girls' State

In June, 1951, three Junior girls had bestowed on them the honor and privileges of attending the eighth annual session of Green Mountain Girls' State.

The week of June 25th held many educational and social experiences for these girls. Girls' State is a general study of state government. Each girl participates by holding office in the state, county, or town government.

Indeed, all is not work at Girls' State. There are many activities such as tennis, bowling, softball, the governor's reception, and the big dance with Green Mountain Boys' State.

The many educational experiences, social activities, and friendships formed between those who attended will always remain in the minds of the girls who were fortunate enough to attend Girls' State.

We are grateful to the American Legion and our local sponsors who enabled us to enjoy this unique experience.

The girls who attended and the offices they held were:

Mary Fitzpatrick	Senator, Chairman of the Board of Selectmen
Yvonne Audette	Justice of the Peace, Assistant Clerk of the Senate
Jacqueline Ireland	Town Moderator, Road Commissioner

Girls' Sodality

The Sodality year started with the election of officers. The installation was informal but work began at once. The officers are:

Prefect.....	Mary Fitzpatrick	Vice-Prefect	Yvonne Audette
Secretary	Ann Marie Murphy	Treasurer	Anne Hale

Chairmen: Madeleine Fournier, Lila Berry, Katherine Hooper, Joan Bombard, Mary McGinley, Jackie Ireland, Mary Corley, Joan Fennell, Patricia Larrow.

Our carefully planned Living Rosary and Christmas Party had to be relinquished when work on the auditorium postponed all assembly programs. The collection and distribution of gifts to the hospitals was carried out as usual. The distribution was made by Lila Berry, Joan Bombard and Anne Hale.

We hoped for a reception of aspirants on December 8th, Our Lady's feast, but that too was postponed. The delayed reception was held on the feast of Our Lady of Lourdes. Rt. Rev. Monsignor Patrick Brennan received the 34 girls and a nearly equal number of boys. He was assisted by Rev. Father Field.

The mid-year Sodality Prom was a complete success. The theme of the decorations was "Winter Wonderland"; the sacristans Virginia Bove and Doris Daigle prepared a lovely shrine for Our Lady, the Gay Notes provided excellent music, and Katherine Hooper and her committees did an excellent piece of work. The prefects, Mary Fitzpatrick and Clement Dubie crowned the statue with a dainty wreath.

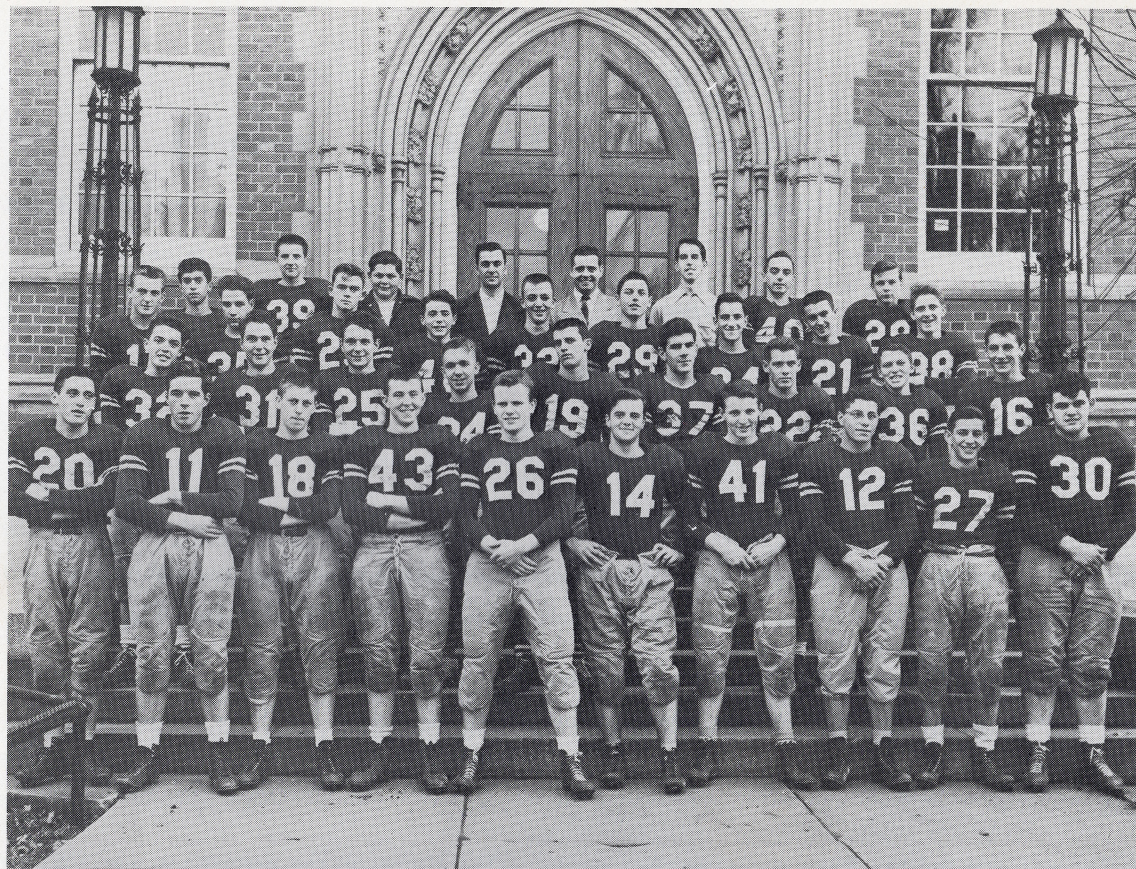

At Easter a distribution of candy and cigarettes was made in the DeGoesbriand Hospital. Due to the many activities the *Spotlite* did not come out until May.

Before publication of the TOWER, plans were being made for a "Tag Day" on May 24, to help Father Field in raising funds.

General Chairman	Mary Fitzpatrick	Tags	Anne Hale
Music for Dancing	Polka Dots	Food	Virginia Bove
Entertainment	Lila Berry, Kathleen Hamel, Jane Ann Daley, Renée Bachand		
Publicity	Marlene Cavoletto	Pomeroy Division	Ellen Beck

A play was presented entitled "The Ring and the Look." The cast included Lila Berry, Joan Fennell, Patricia Larrow, Mary Fitzpatrick, Fred Blaise, Kitty Hooper, Mary Corley and Don Atwood.

The Sodality concluded the year with the inspiring crowning of Our Lady at the Cathedral of the Immaculate Conception.

SPORTS

Football 1950

The 1950 edition of the Cathedral football team was a disappointment to many hopeful supporters. Only the scores remain in the record books, but this does not tell the whole story.

Taking over duties as head coach from Don Maley who was called to service with the National Guard, Bob Griffin, with the able assistance of Ray Cormier, built a team with three starting veterans as a nucleus. Faced with a "suicide schedule," the team triumphed only once in seven starts. This was a hard-earned 6-0 victory over a scrappy St. Mary's team. The team had nothing to be ashamed of in losing to such powerhouses as Brattleboro, Spaulding, Mt. St. Joseph's, Lyndon and Burlington.

It is only fair to mention that, although we were outsized and outplayed at times, we were never outfought. That "never say die" spirit and the will to do their best was ever present among the players. When the boys made mistakes it was from lack of experience which is so vital in a team, not from giving up. These facts will probably be forgotten and only the coaches and team will ever remember how hard they tried to win for the school.

One of the bright spots of the team was Buzzy Fitzgerald who was an all-round standout. By his smooth quarterbacking on offense, and his savage tackles on defense, Fitzgerald never failed to gain the respect of the opposition. Two other teammates, Tom McGregor, guard, and Pat Jennings, center, gained honorable mention of the All-State Team along with Fitzgerald.

We would like to express at this time our sincere thanks to Coaches Bob Griffin and Ray Cormier for the fine work they did in coaching the 1950 team. We are sure that every member of the team realizes the great value of their efforts, and we hope the other students of Cathedral High realize it too. Those who will be returning next year will benefit greatly by what they have learned this year, and we are sure that next year's team will be a credit to the school.

Varsity Basketball 1951

Under the enthusiastic coaching of Mr. Robert Griffin the Cathedral High basketball team compiled a creditable record of hard fought victories. In twenty starts the team triumphed nine times. To some this may not seem like a creditable record according to the number of wins, but it was the importance of these victories that brought praise to the team.

The "Little Indians" got off to a slow start by dropping their first seven games. Bennington dropped the Indians by a 45-36 count in the season opener. In a slow moving contest with M. S. J., the team came out on the short end of a 42-24 score.

Painful defeat was suffered in the next three outings. The first was a return engagement with Bennington in which the Indians played excellent ball but lost out by one point. M. S. J. took a 38-36 win in the next encounter. The final blow added "injury to insult" by the way of a 24-23 loss to Peekskill High of Peekskill, New York. The Tribe battled basket for basket into a three-minute overtime when with two seconds to go a Peekskill man took a jump ball and threw it up and in to win the game.

The tough luck continued as the team dropped their first two Northern League games to Burlington and B. F. A. respectively.

Finally the ice broke and the Tribe managed to win three out of their next six games. The wins included Middlebury, Montpelier, and Winooski. The losses were to Spaulding, Burlington, and B. F. A.

With only four games remaining and the tournament teams soon to be selected the Indians went on a "rampage." Middlebury, Spaulding, Montpelier, and Winooski fell by the wayside as Cathedral poured on the steam,

With all the courage and fight of a championship team the Indians took a 46-40 decision from favored B. F. A. in the semi-finals of the Northern Tournament. In the finals it looked as though the Little Indians might upset the bigger and highly favored Crimson Tide of Spaulding. The team played ball far superior to that of the opposition, but just didn't have the stamina to win the game. Spaulding won 40-36. All was not lost, however, as Buzzy Fitzgerald and Carl Racine were placed on the All-Northern Tournament team.

Coach Griffin and the team deserve a lot of credit for the fine uphill battle they fought and the good sportsmanship they showed in losing as well as in winning.

Cathedral will be losing two star basketball players via graduation in the persons of Buzzy Fitzgerald and Ray Merola. Dave Boardman, Rene Blanchard, Carl Racine, and Ray Lovett will be the basis for next year's team which should mean another fine year of basketball for C. H. S.

Baseball 1951

The snow had hardly melted from the ground when the first call for baseball was issued. Due to unseasonably cold and damp weather Coach Griffin was forced to hold his first five or six practice sessions indoors which greatly hampered the progress of the team.

To date the club has played three games and has dropped all three contests, but the Tribe has steadily improved and should make a lot of trouble for the other clubs in the Northern League before the season is over.

Lesage, Wheel, and McGregor have been strong at the plate, while Blanchard and Williams have been main factors on defense.

The Class of 1951 wishes to extend best of luck to Bob Griffin and the team.

Girls' Basketball

An outstanding characteristic of the girls' basketball crew was the fine spirit shown by every member whether we were winning or losing. The season got off to a lame start while we waited for a suitable coach. We finally secured John Akey of the U.V.M. faculty.

Only four games were played to arouse the interest of the girls. In the four games played, we won one and lost three, but the games were all close. There was great teamwork, which is essential in basketball, and without this, the girls would not have had the scores as high as they were.

The girls are now looking forward to another and even more successful season. With the year's experience in back of them, though they are losing Capt. Mary Fitzpatrick, Katherine Hooper, and Pat Larrow, they have a successful year to look forward to.

Junior Varsity Basketball

Young and small, but willing and courageous, can best describe the talent and effort of the future basketball varsity for the Green and White of Cathedral.

Composed solely of freshmen and sophomores the "jay-vees" compiled a satisfactory record of six wins and eight losses all against teams who had the advantage in height and experience. The following boys all played an important part in the accomplishments of Coach Ray Cormier's "Wee Little Indians."
